# The Revolution Of Everyday Life

## Synopsis

One of the most important exponents of Situationist ideas, this treatise presents an impassioned critique of modern capitalism and serves as a cornerstone of modern radical thought. Originally published in early 1968, the book both kindled and colored the May 1968 upheavals in France that captured the attention of the world. In the political climate of today, Raoul Vaneigem's important work of radical anticapitalist thought has struck a new chord with the worldwide Occupy Movement. Naming and defining the alienating features of everyday life in consumer society—the survival rather than living in full, the call to sacrifice, the cultivation of false needs, the dictatorship of the commodity, subjection to social roles, and the replacement of God by the economy—the book argues that the countervailing impulses that exist deep within this alienation, such as creativity, spontaneity, and poetry, present an authentic alternative to nihilistic consumerism. This carefully edited new translation marks the first North American publication of this important work and includes a new preface by the author and a translator's note.

## Book Information

Paperback: 304 pages

Publisher: PM Press; 2 edition (October 5, 2012)

Language: English

ISBN-10: 1604866780

ISBN-13: 978-1604866780

Product Dimensions: 5.9 x 0.8 x 8.9 inches

Shipping Weight: 12.8 ounces (View shipping rates and policies)

## Customer Reviews

"The most striking aspect of Vaneigem's compendium of Free Spirit Lore is his ability to release the material into the present . . . you can almost feel the whole great edifice of social order—their Church, our capitalist democracy—gather itself up, take a deep breath, and run." — Greil Marcus, author, *Lipstick Traces on The Movement of the Free Spirit*

Raoul Vaneigem is a writer and a former member of the Situationist International and is a key theorist in the worldwide Occupy movement. His works include *The Book of Pleasures*, *A Cavalier History of Surrealism*, *Contributions to the Revolutionary Struggle*, *A Declaration of the Rights of Human Beings*, *The Movement of the Free Spirit*, and *The Totality for Kids*. Donald Nicholson-Smith is a former member of the Situationist International and a translator of the works of Guy Debord, Henri Lefebvre, Jean-Patrick Manchette, Thierry Jonquet, and Paco Ignacio Taibo II. He lives in New York City.

A paradigm-shifting book if ever there was one. Profound and enlightening, it will make you view your culture in a very different way. Not the sort of book to be read casually or with half-attention; it does require a good bit of concentration. Buy this book!

The revised edition definitely captures the flavor of human thought, current with today's complex issues. I would recommend this book to anyone who wants to learn new things and has an open mind.

"We have a world of pleasures to win, and nothing to lose but boredom."

I shared this book with my friends and co-workers. It literally changed the world around me.

Great book and very provocative ideas. The copy I purchased was not in as good of condition that I thought I was buying. Still satisfied with the copy. Another book to read and re-read.
