Love this book; what fun. Great price and high quality photos.

So many fun and beautiful things to make. Have not found time yet to play with it, but I know it will be lots fun!

So excited for this book...and even more excited that it comes with cardstock whimsy sticks to punch out. I was worried I would have to find the sticks elsewhere. I'm inspired to put flowers on everything, especially doll outfits!

I'm enjoying this book a lot the directions are very clear and the finished product is beautiful. I've made one flower and I'm really pleased with the result

The book lived up to all my expectations. I've already made several flowers.B.Nowell
