Sing To The Lord: Hymnal (Maroon)

Synopsis

(Lillenas Publications). This hymnal offers 611 of the greatest hymns of all time. Millions of believers have sung and memorized its hymns, finding their expressions true to scripture and experience. As each generation discarded some and embraced others, these hymns were chosen and treasured, century after century. Every aspect of the hymnal was designed for practical usefulness. It is a working resource for both the worshipper and the worship planner. The hymnal is divided into three major sections: God, Salvation, and The Body of Christ. Topical subsections are indicated at the top of the hymnal page. Also provided are 29 worship sequences, drawing together two or more hymns on a similar theme. Opening Scripture readings and musical introductions and interludes are often included. These sequences are designed to bring flow and focus to the worship time, while maximizing congregational participation. Best selection of songs in a hymnal available.

I enjoy the hymns old and new that are included in it. Will be my favorite hymnal!

In my church we don't use hymnals but we do sing hymns at times. I sing alto and prefer to sing harmony so I needed something at home to learn the alto part on a few songs. The Hymnal seems to have most of the songs I wanted.

We purchased a number of these hymnals for the house church that we attend. We selected this hymnal after much deliberation because of its large selection and balance of both old and newer songs. The indexes are another excellent quality that these hymnals possess as they allow the user to search by a variety of methods including title, author, and meter.

It was in excellent condition and described and just what I ordered. Thanks

I loved it.

This hymnal has a lot of songs in it that none of my other hymnals have. We use this one at our church and I'm glad to have one of my own now.

Great service.Great Hymnal
