Froggy Se Viste (Spanish Edition)

Synopsis

Vestirse para ir a retozar en la nieve no es tan fácil como parece . . . especialmente para una ranita que no está acostumbrada a salir en invierno. Hay que ponerse botas, gorra con orejeras, guantes, bufanda, camisa, chaqueta, pantalones . . . ¿Llegarán Froggy alguna vez a ponerse todo? Los niños de todas las edades se deleitarán con el pegadizo ritmo del texto y apaudirán con entusiasmo a esta olvidadiza y divertida ranita en sus esfuerzos por aprender una tarea común a todos los niños pequeños.

Customer Reviews

PreSchool-Grade 1. Froggy wakes from hibernation in the middle of the winter. Despite his mother's urgings to go back to sleep, he is determined to go out and play. He puts on different articles of clothing, each with its own fun sound effect. Each time he ventures out, his mother reminds him that he has forgotten something, prompting him to go back inside, undress, and start again. He becomes so exhausted that he decides it is easier to just stay asleep. This story is just as hilarious in Spanish as it is in English. Storytellers will enjoy making sounds that will encourage young listeners to participate in the telling. The cartoonlike illustrations and funny facial expressions make this a wonderful read-aloud. Diane Tureski, New York Public Library Copyright 1997 Reed Business Information, Inc.

Text: Spanish (translation) Original Language: English

This is a wonderful little story! I learned of it through a bilingual story time at our library and both the kids and grown ups enjoyed it. I speak Spanish to my daughter but not as much as I should and reading is a fun way to increase her vocabulary. This book teaches her about clothes and emotions and is so funny.

Really useful for teaching Spanish at the elementary school level. This book is read in 2nd grade and it's great to teach about winter and the clothes needed for that season.

I love this book in both English and Spanish. As a Spanish teacher I use it to introduce both clothing and reflexive verbs. It's a great translation. Me encanta este libro. Es un libro divertido que yo, como maestra, uso para introducir la ropa y los verbos reflexivos. Conozco bien el cuento y los estudiantes les gusta cuando lo leo con mucha expresión.

Great for teaching action verbs and clothing item vocabulary!

great story

A la clase de Maestra Gomez le encanta los cuentos de Froggy. Froggy se viste es un cuento sobre la rana Froggy que olvida su ropa para salir a la nieve y su mamá le grita: FROGGGGYYYYYY!!!! Una razón es que Froggy es muy chistoso porque olvida su ropa como pantalones y calzoncillos. Otra razón es que Froggy se cansa mucho cuando por fin se pone toda su ropa y ya es hora de dormir. También nos gustan los dibujos de Jonathan London porque tienen mucha acción y colorido, por ejemplo, cuando se le pone la cara muy roja a Froggy. Para terminar, este libro nos hace reir muchísimo. Compra este libro y vas a ser muy feliz.

I am only familiar with this Spanish version, and when I taught Bilingual Pre-K/Kinder in Texas it was a classroom favorite!! Now with my own 20month old son it has had the same result!! (We began reading this book to him earlier, but he really started enjoying the book at 15 months). The book is repetitive (a good thing) for the kids to be able to anticipate the occurrences, and they love the

sounds as Froggy puts on his articles of clothing in order to be able to go out and play in the snow. (If you act it out as Froggy puts on the clothes they love it even more and begin to imitate you.) Kids learn articles of clothing as well as have a lot of fun with the story! A great addition to a child's library!

As a Spanish teacher, I have used the English version of this book, *_Froggy Gets Dressed_*, with my own translations, as a story for the classroom and with a little neighbor. The tale always delights children and in the classroom, it serves as a meaningful and fun way to introduce or review clothing words. (Once students have heard the story, watch them wiggle in anticipation of the moment when Froggy's mother calls out a particularly embarrassing oversight in Froggy's preparations to go play in the snow!) A translation as good as this one is said to be can only enhance the story's value and fun for children.
