Customer Reviews

When they say easy the mean beginner - very, very, much beginner music. My daughter was looking for something relatively simple for the Christmas program she was asked to play in but the music was so simple that we sent it back - not the publisher's fault, but easy means different things to different people. If you are seeking a truly simple book, this would be perfect as it does contain a nice selection of both religious and secular Christmas tunes. Unfortunately it was not quite what we had in mind
