This was a wonderful asset to have on our trip to AZ. It was easy to use and very informative.

I wanted to go to Arizona before reading Samson's book and now I want to go even more to see all

the sites that he writes about.

This is a very good source for planning a trip to Arizona. It contains detailed information and maps.

We've taken quite a few trips over the years, to Europe and within the U.S. As the family's trip planner, I've always found Frommer's guides to be absolutely the most helpful, from finding and learning about the sites to the hotels and restaurants. Well-organized, expansive and packed with useful information and great tips.

helpful!

Pretty recent info, was dissapointed by map , and the lack of " insider" info on smaller places. Book covers only the AZ tourism sites.
