Got 2 of these books, for 2 grands, for Christmas. They're read all the other Tree House books, and this 4th one in the new series will be a hit, I know!

I buy these for my son. He LOVES every Magic Tree House book and has not read them all. We normally get them from the library, but they don't have all the new ones, so we can get a good deal on .

Arrived in new condition...gift for grandson

Great book bought it for my son he actually waited till it was a release he was so excited he really loves the book

Great book! Arrived on time. Great price. Better than Barnes & Noble.

This is another good Magic Tree House book. I can't give it a 5 star because I compare it to our FAVORITE books, which it doesn't come close to (Harry Potter, for example.) Overall, it's a fun little book.

My grandson was so excited to get this! He loves Magic Tree House!

Another magic treehouse book for my friend who loves this and all magic treehouse books.
