Customer Reviews

Great, clearly printed, colorful, beautiful pictures. The main motivational word font blends in with the background color of the picture on certain months. That may make it illegible from a distance. However the quotes on every page is highly motivational. You would want to read and re-read it over again everytime you see your calendar. Since I bought the calendar only now in February, I was hoping the 4 extra months included be from 2018. :). But it is actually Sep-Dec of 2016. It does include Jan 2018. There is not tie included to hang the calendar. However there's a small punch hole, good enough to use a push pin to hold it intact on the wall. I am happy with the purchase and surely recommend it to anyone looking to buy motivational calendars. It is made in Korea. Not in USA.

Company asked me to review. At the end of the day it is a calendar. Typical. You either like the concept or you don't and you should know that before you pick it out right? Quality is fine, typical of any calendar I have bought.

I love this calendar. It has large print and is very visible when hanging on the wall. The motivational quotes are awesome and the background pictures!!!

It's not exactly what I was looking for. I was looking something more geared employee motivation,

so it's just OK!

Love this calendar and the how easy it is to always find when shopping here!

Beautiful pictures and quotes to get anyone through some tough days.

Very nice

It's nice.
