Terry Lammers, CVA, is the former President and Owner of Tri-County Petroleum, Inc., a wholesale fuel and lubricants supplier that serviced southern Illinois and the St. Louis metropolitan area. In eighteen years, Terry grew that business from \$750,000 in sales to over \$42,000,000, a process that included the acquisition of eleven different companies. After he sold the business, Terry spent over three years with Regions Bank as a Vice President of Commercial Banking. In July 2014, Terry teamed up with a partner to launch Innovative Business Advisors, a comprehensive business brokerage firm that helps people buy and sell companies, performs business valuations, and provides exit planning. You can contact Terry at Terry@Innovativeba.com or visit their website at www.Innovativeba.com. Terry has a wife, three children, and a hilarious sense of humor, and he makes his home in southern Illinois.
