Customer Reviews

We gave this as a gift for a 3-yr old little boy who loves super heroes, and it was well received. The story wasn't quite as interesting (to me) as I would have hoped - it was short, and fast paced, almost to the point being disjointed, but I didn't exactly expect a literary masterpiece for a super hero book. It is nice little book for the price. I wouldn't necessarily call it durable as some other reviewers suggested, as the binding did seem like it could have issues with overzealous handling.

Cute book,excellent quality. Our 2 year old son loves the stories.

Great quality , given as a birthday gift so can't say how it's being used. But it met expectations upon arrival.

perfect for my grandson

Great gift.

This is my son's favorite book! It's a great short story of his favorite super heroes working together to defeat Lex Luther.

The story line is a little rigid but my son loves the pictures and the book. That's all that matters to me.

LOVED IT!
