Great variety of ice-cream, gelato, sorbet, and frozen yogurt. I use them with my self-freezing ice-cream maker with great success, even though they were written for a Cuisinart freezable tub model. Delicious and great selection.

I love it! I have the Cuisinart, and I use it to prepare frozen treats for my kid. Really loving the recipes here. This book will help you become a master ice cream maker in seconds.

Tried one recipe so far and so far so good!

I bought this and had two of the recipes fail. When I make ice cream using the free book it's fine. I have made the Frozen Chocolate Martini twice now. The bowl is frozen I left the pudding like ingredients in the refrigerator overnight the second time and still Chocolate SOUP. Total waste of vodka....I made the sherbert and the next day it was so rock hard a chainsaw could not take a bite. I would not buy again.

This has all the recipes that I was looking for including frozen yogurt recipes. I will be using this for a long time.

Makin me fat! haha

GREAT!

We love making ice cream in our new machine, and this book has been very helpful in getting us started on recipes.
