# Taylor Swift Biography: TAY - The Taylor Swift Story

## Synopsis

Taylor marched up to the woman behind the front desk and went into gear. "Hi! I'm Taylor Swift! I'm eleven and I want a record deal!" She handed the woman her CD. "Call me!" she said and flashed her a cheery smile. "She thought I was cute," Taylor said when she was back in the car. "The usual. Go away and come back when you're eighteen." Taylor stared out the side window as her mother drove slowly down Music Row in Nashville, Tennessee. As they passed by the famous Bluebird Cafe, she said, "Someday I'm going to sing here."

## Book Information

Paperback: 176 pages

Publisher: Sole Books (October 18, 2015)

Shipping Weight: 4.8 ounces (View shipping rates and policies)

Average Customer Review: 4.9 out of 5 stars 17 customer reviews

Best Sellers Rank: #284,380 in Books (See Top 100 in Books) #134 in [Books > Arts & Photography > Music > Biographies > Pop](#) #136 in [Books > Arts & Photography > Music > Biographies > Country & Folk](#) #2323 in [Books > Biographies & Memoirs > Arts & Literature > Actors & Entertainers](#)

## Customer Reviews

Every fan of Tay should read this, it s such a good story. It grabs you like a great Tay song...

--Shadoe Stevens The Weekly ShowTerrific insight. A great book for young adults and Swift fans.

--Patrick Hasburgh, writer of 21 Jump Street, The A Team and the novel Aspen Pulp.

Jill Parker is a native of Los Angeles with a lifelong passion for movies, music, books, and cats. TAY is her first foray into pop culture biography.

I bought this for my teenage daughters who are big Taylor Swift fans. I decided to have a look and read it first and I was pleasantly surprised. The writing was terrific and Parker told the story of Taylor Swift's journey from birth to super stardom very cinematically and with a ton of heart. Five stars.

My 12 year old daughter loves this book. They are like no pictures but it is informative and tells a lot about Taylors life. My daughter read it straight through and couldn't put it down.

excellent!!!

Granddaughter loves this!

I bought this as a gift for someone who loves Taylor Swift, and the recipient really enjoyed it. :)

Anyone who loves country music should read this book. It's very informative!!! learned alot about Taylor.I couldn't purchase the whole book.

my granddaughter read it in three days and loved it.

I didn't expect to like this book. I'm a middle-aged man -- not exactly Taylor Swift's demographic. And full disclosure I'm in a related industry and was sent the book for free in return for an honest review. However, I do think Taylor Swift is impressively talented and enjoy a lot of her music. So I figured, Why not? and took it with me on a plane trip. I was truly stunned at how much I enjoyed the read. It made a part of my trip breeze along effortlessly and amusingly. Not only is the writing clever, snappy, and engaging, Taylor's story as it's told here is wholly compelling, with surprising twists and ups-and-downs. Moreover, she may have been born with certain innate gifts, as well as born into a family that afforded her certain advantages. But that and \$2.10 will buy you a Starbucks Grande coffee. This young lady is a study in determination and perseverance which readers, young and old, and not merely her fans, would find fascinating. I have much more respect for her now, having read this, and I had a fun time doing so. I recommend this book unabashedly, certainly to Taylor lovers, but also to parents who aren't sure what message Taylor sends to their kids, as well as stogy oldsters who just want a great, inspiring jolt of youthful exuberance and human can-do-itness.
