## The Fall (Cherub Book 7)

## Synopsis

In this action-packed CHERUB novel, two siblings on separate special agent missions both end up in deadly danger. CHERUB agents are highly trained, extremely talented – and all under the age of seventeen. For official purposes, these agents do not exist. They are sent out on missions to spy on terrorists, hack into crucial documents, and gather intel on global threats – all without gadgets or weapons. It is an extremely dangerous job, but these agents have one crucial advantage: Adults never suspect that teens are spying on them. In *The Fall*, when an MI5 operation goes disastrously wrong, James needs all of his skills to get out of Russia alive. Meanwhile, Lauren is on her first solo mission, trying to uncover a brutal human trafficking operation. And when James does get home, he finds that his nightmare is just beginning...

## Customer Reviews

I have never picked up a book series and have been so amazed by words on paper. Robert Muchamore has a serious skill for making you feel as if you are standing right in the middle of these stories. I originally borrowed the book series from my cousin but they were just so good I had to buy

my own set as I couldn't stop reading them. The Fall is another Robert Muchamore book that you will plough through without even realising how much you have read and at that stage you will realise your done. Stop reading this review and go buy it!!!!

Good and always a page turner as the rest of the books in the series. You just can't help finish it in 3-4 hours.

I love this series it is an amazing action packed series. This book has action adventure a little romance and best of all fighting and surprises. This book deserves every star it get and I can't wait to read the next one.

Always has a new way of keeping you interested. You won't be sleeping for nights reading the CHERUB series. Awesome!!!

As an adult reader I was pleased to notice that the author broke through cultural stereotypes and was accepting of kids of different races and sexual persuasions. Very intense action story. I am reading behind my 12 year old grandson and am very impressed with how this author writes.

Great story, literally couldn't put it down. Stayed up until midnight twice trying to finish the book. Great story, can't wait to read the next one

I love this book how Dana and Kerry just fighting over James I wonder what happens next. A great read for people who love Alex Rider

This Book has a little bit of everything love comedy action. I thank the author for such an amazing book. And I'm not big on reading
