great read

Very well written. Love everything by this author.

Heartbreaking.

Another Brilliant book by Casey Watson.

a great book i enjoy reading it .start slow then builds up and great story to read.and my heart want out the little girl .not quite done close to the end want write this before forget to do it.casey watson did great job writing the book.i think will not be disappointed it is a great read.

I'm sorry but I found this book very disappointing. I had been told this was an excellent psychological thriller but I'm afraid the content just came across as a childish piece of writing with annoying narrative. I couldn't find any part of the book that could constitute a psychological thriller! I won't be reading any of Casey Watson's books again.

Good book to read
