Cat Toilet Training | How To Toilet Train Your Cats Or Kitten In 7 Simple Steps Like Princess Peanut

Synopsis

*****PARENTAL ADVISORY*****The words and phrases: "poo," "taking a dump," "terd," and even the word "sh*t" will be used twice in this book. There will also be pictures of cats going to the washroom. If you find this offensive, then this book is not for you, and there will be no sugar-coating...We recently toilet trained our little ball of fur, Princess Peanut, and now we can enjoy a litter-box free fresh-smelling home. In the process, we have saved plenty of money and we can avoid those unwanted arguments about who's turn it is to clean up after the cat. Know the best part about all of this? We completed the entire process in less than 3 months! Yes, that's right. Less than 3 months. We're so proud of our little Princess Peanut that we want to share our experience with you. So What Will You Learn? Cat Toilet Training can be broken down into 7 key steps and you're seconds away from discovering each of these seven easy steps right here in this book. We'll explain what each step entails and include detailed instructions along the way. You will need to prepare your resources with plenty of cat treats, flushable kitty litter, and a progressive training kit available at pet stores and on .com. Tired of the Cost of Cleaning Litter Boxes? After reading this book you will save thousands in litter & supplies...The stench will never be detected in your home again! You can impress all your cat loving friends with how smart your kitty is...Toilet train your cat in less than 3 months...Start Saving Money & Stop Cleaning Litter Boxes Right Now. Testimonials: As an owner of cats throughout most of my life, I never really thought about the use of litter boxes until I moved from a house to my Condo recently. Because I've noticed the smell so much more, and the space is smaller, I began searching out an alternative. I bought this guide in the hopes that it could help remedy my dilemma. I'm so happy to say that so far, it is working just as stated. My cat is already on the second ring of the CitiKitty training seat and he's on his way to the next. This guide showed me exactly what I needed to do in order to get him there and I'm thankful for the relative ease of this transition. I really don't think I could have done this without the information received. I've had only two mistakes so far and they were both mine (gotta remember to leave the seat up). From full details on preparation and patience, all the way up to cat & human training in a simple seven step process, this book makes the process all too easy. The writing is succinct & devoid of fillers and the authors are an obvious authority on the subject. Lastly, the illustrations were perfect for letting me see the training works and what I should be expecting. If anyone else is looking for a way to toilet train their cat & don't know what to do, I can wholly attest that this is the perfect manual for illuminating & training you in the most efficient manner possible. Customer Reviews

I enjoyed reading this book, out of seven steps I'm now on 4th step cat training. So far, all the things told by this book is happening quite really well. My cat has been used to it and I made changes already in my toilet habit. The Nelson family successfully noted the nature of cats and how and why the training they presented is effective. My cat and I love it.

This was simple and straightforward. You can train your cat with patience and the right tools. It did help to raise the litter box nearer to the height of the toilet for a couple of weeks.

Good!!

This book is so well written. Each step is clearly outlined in plain and simple terms, with lots of tips on what not to do as well. Very helpful!

Very simple instructions and pitfalls to look for.

I'm so excited to toilet train my 2 wonderful cats now that I've downloaded and read this book I feel prepared and confident we will succeed! Thank you Nelson Family!

As a longtime cat owner, I thought the book was a bit simplistic, but I am still glad I took the time to read it.

This book is saving my life! I have two cats. Cat toilet training is hard for me. I try many methods, but it seems in vain. But the author provides 7 simple steps to follow. I learn a lot from this book and try to train my kitty. I see the result quickly. It shocks me. Very useful steps. Recommended!
