# Sexual Assault: Quick Reference For Healthcare, Social Services And Law Enforcement Professionals

## Synopsis

Sexual assault can happen to anyone at any age. Sexual Assault Quick-Reference offers an invaluable resource for physicians, emergency room staff, EMTs, social service personnel, attorneys, law enforcement personnel, and anyone else who may be confronted with a sexual assault victim of any age. In these situations, there is no room for error. The right knowledge, accurate diagnosis, and treatment of sexual assault cases can better protect victims and hold their perpetrators accountable. In a convenient pocket-sized format, Sexual Assault Quick-Reference provides easy-to-access information on topics such as what is and what is not sexual assault, the roles of the various interdisciplinary team members and their effectiveness in dealing with victims, and common characteristics of assault perpetrators. Possible interventions for victims are also given. You are walked through the process of detecting sexual assault and caring for the victims, and told what is needed to successfully prosecute perpetrators.

## Customer Reviews

"Quick Reference offers the reader a vast amount of readily accessible clinically pertinent information. A well designed resource which should prove invaluable to all professionals involved with the care of maltreated children" --International Society for the Prevention of Child Abuse and Neglect  
The whole subject of sexual abuse is thoroughly canvassed. There are color photographs of the many different kinds of assault, different age groups, the disabled, all areas of the body that can be subjected to assault, with comparative photos of injury and non-injury. The many instructive

essays blanket this topic very well indeed. Lawyers preparing cases in this field of law will find this text of immense help. --The Barrister, Alberta Civil Trial Lawyers Association, September, 2003 - No. 69 These quick references are a valuable resource for background information involving child abuse cases. --Captain Russell Elzinga, EMT-P, FF, Creve Coeur Fire Protection District

Angelo P. Giardino, MD, PhD, FAAP Dr. Giardino is the Associate Chair for Pediatrics and the medical director for Child Abuse Services at St. Christopher's Hospital for Children in Philadelphia, PA. He is also an associate professor of pediatrics at Drexel University College of Medicine. Dr. Giardino earned his medical degree at the University of Pennsylvania School of Medicine and completed his pediatric residency at The Children's Hospital of Philadelphia. He earned his doctorate from the Graduate School of Education at the University of Pennsylvania, where his work focused on outcomes assessment in professional education. He was named a clinical scholar at the Robert Wood Johnson Clinical Scholar's Program at the University of Pennsylvania School of Medicine and is a research fellow in the Division of General Pediatrics at The Children's Hospital of Philadelphia. During fellowship training, he pursued specialized training in the evaluation of child abuse and neglect. In 1995, while at the Children's Seashore house, he founded the Abuse Referral Clinic for Children with Special Care Needs. This clinic provided interdisciplinary evaluations of children with disabilities who were suspected of having been abused. Currently, Dr. Giardino serves as an attending physician on the Suspected Child Abuse and Neglect (SCAN) team at The Children's Hospital of Philadelphia.

I am finding these so helpful, well written and evidenced-based. Thankful for these tools after becoming a SANE-A (SAFE)

a practical handbook for forensic pathologists and for those who handle with sexual assault. It contains all subjects that matters in this situation, as well as some good and precise pictures

This book is a great resource for the SANE-A or the SANE-P. Good Pictures, Differential Diagnosis, lots of good picture to refer to.

I am studying to become a SANE and this book has been invaluable to me.. It is easey to read and subject matter is concose and to the point.
