

Cuba And The U.S. Empire: A Chronological History

Synopsis

The 1959 Cuban Revolution remains one of the signal events of modern political history. A tiny island, once a de facto colony of the United States, declared its independence, not just from the imperial behemoth ninety miles to the north, but also from global capitalism itself. Cuba's many achievements in education, health care, medical technology, direct local democracy, actions of international solidarity with the oppressed are globally unmatched and unprecedented. And the United States, in light of Cuba's achievements, has waged a relentless campaign of terrorist attacks on the island and its leaders, while placing Cuba on its "State Sponsors of Terrorism" list. In this updated edition of her classic, *Cuba and the United States: A Chronological History*, Jane Franklin depicts the two countries' relationship from the time both were colonies to the present. We see the early connections between Cuba and the United States through slavery; through the sugar trade; then Cuba's multiple wars for national liberation; the annexation of Cuba by the United States; the infamous Platt Amendment that entitled the United States to intervene directly in Cuban affairs; the gangster capitalism promoted by Cuban dictator Fulgencio Batista; and the guerilla war that brought the revolutionaries to power. A new chapter updating the fraught Cuban-U.S. nexus brings us well into the 21st century, with a look at the current status of Assata Shakur, the Cuban Five, and the post-9/11 years leading to the expansion of diplomatic relations. Offering a range of primary and secondary sources, the book is an outstanding scholarly work. *Cuba and the United States* brings new meaning to Simon Bolivar's warning in 1829, that the United States "appears destined by Providence to plague America with miseries in the name of Freedom."

Book Information

Paperback: 464 pages

Publisher: Monthly Review Press; 3rd Revised edition edition (May 1, 2016)

Language: English

ISBN-10: 1583676058

ISBN-13: 978-1583676059

Product Dimensions: 5.5 x 1 x 8.5 inches

Customer Reviews

"Whether one reads it as a history, or keeps it handy as a ready reference...this is a book that no serious student of U.S.-Cuba relations can afford to be without." - Philip Brenner, American University

Jane Franklin is an internationally acclaimed historian and peace and justice activist since 1960. The author of several books on Cuba and Panama, she has published in various periodicals including The Nation and The Progressive, and appears frequently on radio and TV as a commentator about U.S.-Cuba relations. Some of her work is available at janefranklin.info.

Very informative book. Easy to read based on timelines.

I have not finished reading this book but it is excellent! Easy to read but full of details that should help understand the constant low intensity war waged by the US against Cuba.

I love the bag. It carries more than I expected. It's perfect for my international summer travel. I fit the follow in the bag with room to spare: ID, passport, credit cards (2), cash, sunscreen, glasses, small water bottle, Samsung cell phone, 2 lip glosses, hair ties, and Bobby pins.
