Customer Reviews

The Aldens spend winter vacation at Snow Haven lodge.

Henry, Jessie, Violet, and Benny used to live alone in a boxcar. Now they have a home with their grandfather, and are spending their winter vacation at Snow Haven Lodge.

According to my 9 year old (who's read the book recently), it's a pretty good book and something she'd like to try someday (staying in a cabin in the snow). As a parent, I've got to say it's nice to still have a few things in life that don't need to be CONSTANTLY monitored for content and to know that this series is one in which good wins out, hard work, persistence, and team work are rewarded, and family is still the most important thing in the world.

Love reading with my daughter and she loves these books! With a summer birthday, it gave me the perfect excuse to get her a few books to keep her interested in reading over the summer!

I love this series of books! My granddaughter received this ebook for a long car ride we had to take. It kept her entertained and I knew when I ordered it it would be age appropriate and fun to read. Score one for grandma!

The book looked great. Came with fast delivery.

We are working on collecting these books with our grandchildren - we started our collection about 20 years ago with our own children. How fun.....

my child got this book for a book report and is now hooked on the boxcar series. A great buy.

I enjoy this book because it was so good and it was also confusing (in a good way). I love how the author makes it seem like it is so real, I also love how the characters in this book are so secretive. It really makes you think!! People who can read chapter-books, this is for you!!

“This book is a great read for anyone who loves a good mystery. The Boxcar Children series is a classic, and this book is a great addition to the collection. The story is well-paced and the characters are well-developed. The book is a great read for anyone who loves a good mystery.”

This one is a definite read! It sums up the Alden children for sure. Definitely did not realize who it was until they did!
