Knopf MapGuide: Milan (Knopf Mapguides)

Synopsis

This opening fold-out contains a general map of Milan to help you visualize the 6 large districts discussed in this guide, and 4 pages of valuable information, handy tips and useful addresses. Discover Milan through 6 districts and 6 maps: **Duomo/ Centro Storico**, **La Scala/ San Babila**, **Sant'Ambrogio/ Magenta**, **Castello/ Quartiere Cinese**, **Brera/ Stazione Centrale**, **Ticinese/ Navigli**. For each district there is a double-page of addresses (restaurants, cafés, bars, tearooms, music venues and stores) listed in ascending order of price, followed by a fold-out map for the relevant area with the essential places to see (indicated on the map by a star *). These places are by no means all that Milan has to offer but to us they are unmissable. The grid-referencing system (A B2) makes it easy for you to pinpoint addresses quickly on the map. **Transportation and hotels in Milan** The last fold-out consists of a transportation map and 4 pages of practical information that include a selection of hotels.

Customer Reviews

The Washington Post says, "The map guide lets you be inconspicuous: it's as small and light as a novella, and its flip-out maps could pass as a flyer to a cool club." "Make sure you never lose your way in a strange city. Each of the Knopf MapGuides captures its city's pith in a package as small as a passport wallet." "Knopf MapGuides are handy, practical and perfect for those of us who are slightly impaired when it comes to map-reading. You don't

have to search a huge crackling sheet with a microscopic index for one of 10,000 dots on the map. The extraordinary quality of the books, beautiful hues and heavy paper also give these \$8.95 guides an evocative quality that stands apart from the glossy, garish look of most travel books. "A good, handy portable item for a quick trip" Marin Independent Journal "We love Knopf's smart new map guides." San Francisco Chronicle "A good, handy portable item for a quick trip" San Francisco Chronicle "We love Knopf's smart new map guides." Travel & Leisure

When we are planning a trip, this is the first purchase we make. My husband and I research and notate the places we want to see and eat in our MapGuide. Often, this is the only book and/or map that we carry when we are out exploring. Each day we explore a different part of the city, using the maps to plan our route for the day. We love how it is compact and how it highlights the main attractions in each area. When traveling to several cities, we can only bring so many books and maps, and time and time again these are the ones that we always rely on. We have already purchased several of these. We love looking at our bookshelf and seeing these as reminders of the cities that we have traveled to.

Great book, great seller

Knopf guides are the best for travel. I love the regional maps

A detailed and great map for travelling. Pop out maps provide overviews by city areas. I used it all of the time -- not heavy and easy to carry. The Paris version was equally as useful.

very handy - small size - easy to carry, easy to use, very informative

These guides are great to use for finding your way around large cities in Europe. Particularly useful in this guide of Milan was a summary of the bus and subway lines. I wouldn't go back to Milano without it!!!
