The Baby Is Here! (Daniel Tiger's Neighborhood)

Synopsis

Daniel Tiger gets a baby sister in this adorable new 8x8, based on a special episode of Daniel Tiger's Neighborhood! Daniel Tiger is getting a little sister, and he can't wait to meet her. He's looking for a special way to help welcome the new baby and he finds the perfect present to give to his new sibling in a box of his old baby things! This sweet story is perfect for little ones who are about to become big brothers or sisters! © 2015 The Fred Rogers Company

Age Range: 3 - 7 years

Grade Level: Preschool - 2

Customer Reviews

I loved this book, as did my three year old. As I am currently pregnant with my second child, we were looking for familiar characters that could help us introduce the concept of a newborn to my daughter. We were also hoping the whole, "baby being born" process would be covered. Both of these things were. Daniel's parents explain they are having a baby, and Daniel helps get the baby's room ready. Then Daniel's parents go to Dr. Anna's so she can help the baby be born while Daniel stays with Grandpere Tiger. All very realistic, but in a kid friendly format. Mr. McFeely comes to tell Daniel and Grandpere Tiger that the baby is here, and then Daniel and Grandpere go to visit Mom and Dad and Dr. Anna's. Daniel takes the baby a present and greatly enjoys meeting his new sister - putting something that might be intimidating to small children in a positive light. It becomes very

obvious that the new baby cries a lot and is very needy, something even my three year old now tell me all about. They try feeding, rocking, changing her diaper, and over time even Mom Tiger admits she can't always tell what's wrong. Daniel gets to help soothe the baby, making him very proud of himself. I thought this was a realistic representation of how a new baby changes things in the family, and the process. My daughter has now been through it several times with Daniel, and I hope this makes it less scary for her. There are also two episodes of the show (season 5, episodes 1 and 2 - it's on Prime!) that cover the same material as the book. We have watched these a few times together and talked about them. The next two episodes (season 5, episodes 3 and 4) cover how life is different after baby Margaret is born. We haven't tackled these yet, but will soon. I highly recommend the book, I have found it very helpful in explaining things to my daughter. If you have Prime, I also highly recommend watching the episodes that tie in with the book, as an additional way to reinforce the book material.

I bought this book for my grand daughter's second birthday. She will be a big sister this spring and her mommy and daddy will use this book and the Daniel Tiger dolls to help prepare her. She loves Daniel Tiger and was very excited to read this book! The pictures are colorful and cheerful, the story is sweet and is similar to an episode of the TV program and young children love Daniel Tiger! This book was a hit!

This is a cute story that of course follows the Daniel the tiger tv show. When it's time for baby grandparents stay with Daniel and parents go to hospital to have baby. It was good to help my daughter prepare for our son's arrival and just so happens her grandparents stayed with her during our little guy's arrival so it matched up nicely, except we were moving right after so we didn't paint and prepare baby's room like they did in the book

Our daughter loves reading this... especially now that her sister is here. We bought this as a big sister gift for when our daughter came to the hospital to meet her new sister. Great book if your child loves Daniel Tiger!

I wish they had a board book option so my 18 month old could carry it around and look at it without bending up all the pages. But it's a very cute book and he loves it!

We bought this for my daughter before her baby brother arrived. She loves Daniel Tiger and this

was perfect for her as she was getting ready to be a big sister.

Cute book! My daughter loves Daniel tiger and I think it's pretty much the best preschool tv show out there. The book is the same as the episode where Margaret is born

Out of the many books my daughter received in preparation to become a big sister, this is by far her favorite. As a mom, what I appreciate about this book is that it shows Daniel both preparing for the baby with his parents and adjusting to life at home with the new baby. There is also the refrain throughout the book "You can be a big helper" and the emphasis is on all of the ways that Daniel helps his family with his baby sister before, during, and after her arrival.
