Excellent resource! Excellent price!

I've just received my new Third Edition (2017) - TEXAS HOA LAW book and am so pleased to finally have all the latest legislative updates at my fingertips! I first acquired Mr. Cagle's "Texas HOA Law" book many years ago and have relied on it extensively as both a board member and a property owner. However, due to the many legislative changes in recent years, I have been anxiously awaiting the new Third Edition, which incorporates all the changes in one place! HOA law

is extremely complex, and can often be overwhelming and intimidating. This book is so well written and easy to read that it truly enables the reader to develop an understanding of the legal concepts. It is also well Indexed to allow for quick reference research for both subdivision or condominium developments. Whether you are a Board Member or simply a property owner in a Texas Common Interest Community, I highly recommend making the investment in this book! You will NOT be disappointed!

Great book - very comprehensive on the subject of HOA law. Greg put together a well written easy laid out book with a very useful table of contents. Buy it while you can - I've spent the last two years trying to find a copy of his 2nd edition, to no avail. So I was very excited to see this edition come out.

Large book. Will need a lot of time to read it. Author could have divided info into two separate reads.
