Where Do Vegetables Come From? (From Farm To Fork: Where Does My Food Come From?)

Synopsis

This fascinating book looks at how vegetables are produced, taking the carrots we eat as an example. It shows us how carrots are planted, grown then harvested, and how they are shipped to grocery stores or stores to land on our tables. It highlights that not all food is local, often coming from very far away.

Book Information

Lexile Measure: 480L (What's this?)

Series: From Farm to Fork: Where Does My Food Come From?

Paperback: 24 pages

Publisher: Heinemann (August 1, 2016)

Language: English
