Better Homes and Gardens American Patchwork & Quilting 2015 Calendar - BONUS: Includes Patterns for 12 Quilts Staple Bound ÅfÅ¢ Å Å 2014

Yet again this year, the cover of the calendar indicates that all the patterns are included, and since it's wrapped in cellophane there is no way of actually checking if this is correct. No patterns included, last year or this year. Isn't that false advertising?

Did not receive the patterns for the second year. I have ordered this for 5 years now and will not order again for the same reason.

I was very unhappy because the quilt patterns were not included with the calendar !! I have since returned the calendar at a cost to me which was way too much money !!

Lovely book...perfect gift for my Mom who is an advanced quilter!
