The Berenstain Bears Are SuperBears! (I Can Read Level 1)

Synopsis

The Berenstain Bears discover the true power of lending a helping paw in this exciting addition to the classic New York Times bestselling series. When Brother, Sister, and Honey Bear pretend to be their favorite superhero characters, the whole neighborhood joins in on the game. It's fun to fight evildoers, but when a young neighbor falls off his bike, the Bear siblings get to be real-life heroes! *The Berenstain Bears Are SuperBears!* is a Level One I Can Read book, which means it's perfect for children learning to sound out words and sentences.

Like several recent books in this series - Pirate Adventure and Around the World, to name a couple - I love this book because it connects with kids' fascination with superheroes but does it by engaging childhood imagination and fantasy. The Bears don't literally transform into superheroes, they explore Bear Country using their imagination, taking everyday people and places and imagining them to be more. I love it. A simple reminder of the power of play and imagination!

My oldest kid is just learning to read and I picked this out as a surprise for him when it first came out. Luckily for me, the pre-purchase price was lower than the current price of \$3.99. It came on the day it was supposed to and both of my kids really love me reading it to them. They always giggle at the names of the Superbears and point out different things in the pictures. They get very engaged in the story and pictures which is exactly what a book should do! It is not overly long like some of the older books but CAN be a little long to a first time reader if they are trying the words themselves. We're still working up to that but this is definitely on the favorites list now!

My 5-year old grandson is just beginning to read and he loves these books! Would definitely recommend for those just learning to read.

Great

Like the rest of these books, it's just plain good. It's easily understood and readable by both adults and kids.

Super Bears are super funny!

Great book for youngsters. My grand daughters love this book and has acted out the part of "superbears" so many times that they know it by heart. But that's okay.

Our 3 year old Grandson enjoys the Berenstain Bears, and ALL Super-Hero's! This book is perfect for him!
