From Amish And Mennonite Kitchens

Synopsis

Amish and Mennonite cooking feeds the soul as well as the body. The delicious, traditional recipes in this very popular collection produce dishes that are sturdy and basic, yet full of flavor, affection, and warm memories. Here are easy-to-follow, from-scratch recipes for breads, soups, salads, vegetables, meats and main dishes, casseroles, pies, cakes, cookies, and desserts, as well as jams, jellies, and relishes, candies, beverages, and snacks. This popular cookbook has sold more than 150,000 copies! Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Customer Reviews

Phyllis Pellman Good is a New York Times bestselling author whose books have sold more than 11 million copies. Good is the author of the nationally acclaimed Fix-It and Forget-It slow-cooker cookbooks, several of which have appeared on the New

York Times bestseller list, as well as the bestseller lists of USA Today, Publishers Weekly, and Book Sense. The series includes eight titles. The most recent are Fix-It and Forget-It Pink Cookbook, to benefit the Avon Foundation and Fix-It and Forget-It Diabetic Cookbook, Revised and Updated, with the American Diabetes Association. Good is also the author of the Fix-It and Enjoy-It series, a "cousin" series to the phenomenally successful Fix-It and Forget-It Cookbooks. Phyllis Pellman Good is Executive Editor at Good Books. (Good Books has published hundreds of titles by more than 135 authors.) She received her B.A. and M.A. in English from New York University. She and her husband, Merle, are the parents of two young-adult daughters. For a complete listing of books by Phyllis Pellman Good, as well as excerpts and reviews, visit www.Fix-ItandForget-It.com or www.GoodBooks.com.

This book is awesome. I am Mennonite, and have never seen so many wonderful and totally authentic recipes in one book. These recipes are simple and use basic ingredients most people have in their kitchen. We don't use much processed food, excepting tea, coffee, flour, sugar, etc. If you like to use produce from your garden or the store this book works with both. If you want a very authentic Amish-Mennonite cookbook, this is it.. It's the best I've seen, and I collect cookbooks.

This is a compilation of the chapters from the original pamphlet cookbooks that were published many years ago named for instance, 'Salads from Amish and Mennonite Kitchens', and of which I was missing three. Since I have cooked from these many separate books since the 1980's and my girls are growing up ~ (Imagine that!) ~ I wanted to have one complete source that celebrate a part of our family food history and heritage. This book has them all, along with country wisdom, and practical advice regarding the foods you're cooking. There's something for everyone, too!

Make the moist chocolate cake, it's the best chocolate cake recipe in the world.

just received this today and cannot put it down...such simple and tasty recipes.with great history lesson.

Full of some great receipes made from scratch. No pictures which was a little disappointing. I was so happy that I found a receipe that I have been looking for over several years.

Wonderful Book I was raised in the Mennonite Community and have eaten many of these wonderful

recipes which I can now cook .I highly recommend this book !!

I love Amish cookbooks and found this one while looking for something else. It's soft bound, paper back and has plain, typewritten recipes inside, on soft cream colored paper. The outcome is the delicious dishes made from the ingredients that it shows us how to put together. I recommend this to anyone.

you like basic cooking. want to eat like they did in the 1900-1950's. wholesome no non sense eating and cooking. get this cookbook. simple and the recipes will take you back in time.
