Making Dollhouse Furniture Baby Room: With Pipe Cleaners Step By Step

Synopsis

Art of making dollhouse furniture with pipe cleaners. Great way to save money to fill a dollhouse. Also a way to introduce people to dollhouse crafting in an easy way without having to use glues or paints. Only pipe cleaners are used for these inexpensive and creative ways of making furniture. No other materials are needed. Fun for the whole family and great for dioramas. Introduction to pipe cleaner art in a fun and exciting step by step full color pictures for each step of the directions. Great way to spend time with kids exploring art, imagination, crafts, and design. Can be used in teaching methods in schools and classrooms by teachers to help in projects. Once completed the art can be used for science projects or as displays. Also great for little token gifts or as a topper for a present or card.

Customer Reviews

Might be fun for kids but I'm a grandma looking for projects to make.
