# Priestess Of The Fire Temple: A Druid's Tale

## Synopsis

The Priestess of the Fire Temple follows Princess Aislinn, red-haired wild child of the High King of the Central Kingdom, as she makes her way in a world increasingly hostile to those who are not Christian. Raised in a community that observed both Pagani and Cristaidi mores, Druid-trained Aislinn is married off at age fourteen to a prince from Irardacht, the Northern Kingdom. Escaping her unhappy marriage, Aislinn finds herself engaged in a series of dangerous adventures and fateful encounters on her quest for true love. This uniquely Pagan novel explores the basic beliefs of the Indo-European Celts and the Druid path in an engaging and powerful way.

## Book Information

## Customer Reviews

Ellen Evert Hopman (Massachusetts) has contributed to several Pagan journals and is a popular author of Druidry-related titles. A former teacher at the Grey School of Wizardry, Hopman has been active in American Druidism since 1984. She is a member of the Grey Council of Mages and Sages, co-founder and former co-chief of the Order of the Whiteoak (Ord na Darach Gile), a master herbalist, and a registered herbalist of the American Herbalists Guild. This is book three in a series that I simply couldn't read fast enough! I purchased books one and two at a conference, directly from the author and I read book one within days. When I got to the end of book two I could hardly wait for the third one to be published. I pre-ordered it right away. Ellen Evert

Hopman did not disappoint me. After the wait I read this book as fast as the first two. This is a author who writes from her own experience as a druid and from her knowledge of druidry, and yet manages to weave a fictional tale that teaches as much as it entertains. The work of a bard! I highly recommend the entire Druid's Tale series, as genuinely entertaining and historically accurate fiction of druidic life. There is a little bit of something for everyone - romance, history, well developed characters with lots of depth, and a conclusion the reader can feel good about.

This book was signed by Ellen while it wasn't for me it was great. A bonus is my middle name is Carol as was the person who first received the book.

Great read . Learned a lot about Druids & I respect most religions

this book here its so very most awesome too read an so veryinteresting about the Druids they so very much ROCKS !!!!!!!!!!!!!!!!!!!!!!!

The entire series is fabulous. I didn't want the books to end and truly hope there are more. Highly recommended!

Exciting story intwrwoven with herbal and druid lore. Very interesting. Couldnt wait for the sequel to be released. I learned a lot.

Aislinn's story is very well constructed and offers insight about the conflicts between the Christian and traditional druid ways. The adventure is thrilling to read. Of particular interest is the historical note at the conclusion of the book. The author offers a short bibliography with web sources and concludes the book with a rich discussion of female druids.

i loved this book! It provides a beautifully told story of a young druid trying to keep her traditions alive in the face of cultural changes sweeping through the land. Read "Priestess of the forest" first
