Customer Reviews

I received an advanced copy of this book and I have to tell you that I'm so happy that I did. I couldn't put it down! It caught my attention right from the start and made me want to know what was going to happen next clear to the end. I absolutely fell in love with the the characters especially Cam and Michelle. They are extremely compelling women. The way the author describes them you feel like you're right there with them experiencing their emotions right along beside them. This is the first in a

trilogy and I'm eagerly awaiting the next two! Wonderful first book from this new author!

I saw this book on one of my goodreads friends lists and figured why not...and I am pleased i gave it a chance. Its nothing new as far as concepts. Movie star in the closet falls for Lesbian Bar owner (fyi she's got like an unlimited amount of money). Anyway its actually a really sweet and steamy story with some angst and not so much a happy ending because there's a book two but a good enough ending. I like the way the author writes. Its not too much detail or unnecessary details or side characters. Looking forward to book two. A KU book that I am strongly thinking about buying

I received an advance copy of this book, and when I first started reading it, I was afraid it was going to be another typical story about a woman finding love again after a bad breakup. I quickly found out that was not the case! While Cam does find love again after a bad breakup, there's nothing typical about it! She starts her life over in a very spectacular and unexpected way, and she finds love under equally unexpected circumstances. The relationship that develops is far from typical and had me invested from the start! The writer has a very honest, conversational style that makes you feel like you know the characters. If you like lesbian romances and you're looking for something with a bit of a different plot, look no further! I'm already waiting for the next book in the series!

Just loved Cam and Michelle. I sure hope everything works out for them. Cant wait to read the next book

For a first time novelist this author has done an exceptional job. More detailed than I would expect for a first timer. I love her characters especially Cam and Michelle. I am now anticipating her next novel...a continuation of Cam and Michelle..Good Job and Kudos to Claire Highton-Stevenson.

I love it enjoy the romance between Cam and Michelle can't wait for the next book and I get Jessica going to come in the picture

I really enjoyed this book! Looking forward to reading the sequel!! The main characters are very lovable, and you just can't help but cheer for them to find their happy ending.

Want sequel soon. I loved it great writing. Tha characters were sweet. I loved both michelle and cam. Be sure to keep intimacy and overall sweet characters in sequel
