Customer Reviews

First-Based on the name and the front photo, I expected each month to be a picture of an adult dog with a puppy. Most months featured a picture of either a puppy or an adult dog, but not together. But my MAJOR complaint is the ATYPICAL layout. On every calendar I have ever seen, Sunday is the first day of the week. On this calendar the week BEGINS on a Monday, and Sunday is at the end of the week. This already caused me to miss schedule 2 appointments-after two weeks I took the calendar down and bought another one.
