Kickass Cats: An Adult Coloring Book with Jungle Cats, Adorable Kittens, and Stress Relieving Mandala Patterns for Relaxation and Happiness This is a product review of Kickass Cats: An Adult Coloring Book with Jungle Cats, Adorable Kittens, and Stress Relieving Mandala Patterns for Relaxation and Happiness Paperback *Large Print*, October 10, 2016 by Jade Summer My wife loves Adult coloring books. The Jade Summer collection is great. I have bought a few of the other Jade Summer books and have been happy with them all. This book is no different. It has all the high quality inside that all of the other ones have. She is very happy with it! This item was delivered very fast with Prime Membership and there were no shipping or delivery issues or hassles. Please feel free to ask any questions you might have. Thank you for taking the time to read my review. I really appreciate it. I hope it was helpful to you.

Bought two, one for me and one for a gift. Pictures printed on one side of paper only and perforated for easy removal. Good quality.

Paper too thin. Too much black already laid down on page and not really black enough so have to go over with black pencil.

Awesome pics, but personally ,I'd rather the name of the book to be something better.

Love the cat designs and the way they work on my creativity and the play on colors that you can work together. Can spend hours and hours bringing them to life.

bought for older grandkids. They love them all. Very intricate but beautiful!

My wife loves cats and she loves this coloring book! It has a psychedelic style and is very detailed. Very good value!

I love this coloring book! The designs are beautiful and fun to color. The paper is thick enough that gel pens don't bleed through.
