Customer Reviews

Jim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.

My 7 year old daughter loves these Garfield Fat Cat 3-packs. She has been spending at least an hour each evening soaking in the lasagna loving cat comics. One item to note is that pack #10, 11 and 12 are slightly less tall books and are in black and white. The others have been in color.

My son loves these. It's the only way we can get him to use the restroom! He has to have a Garfield book as reading material!

Garfield is a classic. Garfield taught my resistant child to read.

Fun, lovable book! Just a heads up that this "fat pack" is in black and white. My daughter LOVES Garfield so it wasn't a problem, but don't expect it to be in color like the larger bundle books. Great buy at a great price.

Bought for my son who was never a big reader until he discovered the Garfield series. I ended up buying every one I could find and have never regretted it. He is an avid reader to this day. He is now 20 years old.

My 8 year old loved these as much as I loved them when I was a kid. Plus, the 3 books in one is great for the price.

We have purchased graphic//comic books to encourage our son in his reading, he enjoys these very much.

My son loves this fat cat pack. Great comics inside.
