All About The Moon (Phases Of The Moon) | 1st Grade Science Workbook

Synopsis

Is there really a man on the moon? Is it really made of cheese? Let's talk about the moon, but without the myths and legends. Rather, let's talk about its truth and what benefits it gives the Earth and us. This educational book will inform your child of the moon and its many phases. There are pictures to accompany texts in order to ensure optimum learning. Secure a copy today!
