Dr. Larry R. Helyer: Larry is Professor of Biblical Studies at Taylor University in Upland, Indiana. He received his doctorate in New Testament from Fuller Theological Seminary, Pasadena, California. He pastored Baptist churches in Portland, Oregon, and Sun Valley, California, before moving to the Midwest and teaching biblical studies at Taylor University for 28 years. He has taught a wide range of Bible courses covering both the Old and New Testaments and Jewish literature of the Second Temple. Larry has traveled extensively in the land of the Bible and lived in Israel for a year during his student days at Jerusalem University College. Larry is author of two books, *Yesterday, Today, and Forever: The Continuing Relevance of the Old Testament* and *Exploring Jewish Literature of the Second Temple Period: A Guide for New Testament Students*. Larry has authored numerous journal and dictionary articles on biblical and theological subjects and has just finished a book on New Testament theology. He was the initial translator of 2 Samuel for the Holman Christian Standard Bible. Richard Wagner: Rich is author of *The Expeditionary Man*, *The Myth of Happiness*, *The Gospel Unplugged*, and several *For Dummies* books, including *C. S. Lewis & Narnia For Dummies*, *Christianity For Dummies*, and *Christian Prayer For Dummies*. He has been a guest on Christian radio programs across the country discussing Christian discipleship issues as well as C.S. Lewis. Richard has served in church leadership and teaching roles for more than a dozen years. Rich graduated with a bachelor of arts degree from Taylor University and pursued graduate studies at The American University in Washington, DC. Rich lives in New England with his wife and three sons. You can find him online at richwagnerwords.com.

Pretty Good. Good summary overview, pretty mainstream, not much on the more recently emerging interpretations which are not only getting more and more accurate in interpreting prophetic scripture, but are also more in tune with recent and current developments in our world that seem to be fulfilling prophecy. In most cases the treatment of the book of Revelation is not very deep, with more ancillary information which may or may not be so relevant, than actually digging into the most meaningful parts of the text. May be a place to start, but hopefully not the last, and probably not the best read

for someone really wanting to know what the relevant message of the book of Revelation is for us today, in these end times.

I can recommend this book for anyone not familiar with the origins and background to the last book of the Christian Bible. Knowing about the form of ancient writing known as apocalyptic literature is important and helps the reader understand what the message is and for whom it was written. Further, this text helps the reader see the Hebrew Bible and other ancient connections to this form of literature. Once, someone told me he understood every book of the Bible except the Book of Revelation. My response was, "If you understand the books of the prophets--especially Ezekiel and Daniel--you should understand Revelation. Reading this book for dummies will help make the connections. It is easy to read and to follow. The book may make fundamentalists unhappy.

Pastors or parishioner, you need this book. I taught a series using "Dummies", plus several other resources. My goal was to lead my congregation to enjoy, understand, and use Revelation to see what is coming and share to gospel with others; to reduce fear and encourage faith in these last days.

A thorough examination of the last book of the Bible from different perspectives. The authors provide great insight and information on how to approach this book.

Helped me as a good resource in preparing my Sunday School lessons. Recommend to those who need to know what God has revealed to us about things now happening and what our future brings. Very good

I was skeptical about ordering this book as I wondered if they would insert a specific theological viewpoint into the discussion and try to lead me down a path to a conclusion. The opposite is true. This book has been a great reference help for me in understanding the ins and outs of Revelation. I particularly appreciated the many Old Testament and other New Testament references that help to explain certain figurative language in this book. I would recommend this for anyone who is interested in learning more about Revelation - expert and novice alike. There's something for everyone.

Informative!! Yes that's the word. For those of us wanting to delve deeper this is a very useful tool.

It's another wonderful DUMMIES book. Step by step it takes you through the Book of Revelation and helps to get the thoughts stirring. You can't go wrong with this purchase.

Exactly as described and arrived on time. I'm happy with my purchase. :)
