Reclaiming The "L" Word: Renewing The Church From Its Lutheran Core

Synopsis

Reclaiming the "L" Word is a book about renewing congregations by recognizing and living out the core teachings of the Lutheran faith. In the introduction, the author states: "I hope that people of every denomination will find this book helpful as they wrestle with these important issues within their own traditions. But this little book is primarily written for those who call themselves Lutheran and, specifically, those who are members of ELCA congregations, and it is intended to help us answer central questions: Who are we? What DOES it mean to be a Lutheran today, anyway? And, why does it matter?" Inspirational, engaging, and challenging, this book is a must-read for pastors and congregational leaders!

The condition of the book is excellent. The timing for shipping was less than expected. AND the content of the book was just what I wanted. Kelly Fryer has a pleasant style for sharing the faith.

Great!

Excellent book!

Using this and Reclaiming the "C" word in our bible study. Everyone likes the book. It leads to great discussions.

As I read the book I thought about the rich young ruler who thought he was leading a good life. Christ asked him to give up his riches. He couldn't or wouldn't and the suggested outcome was not eternal life. I believe Scripture plainly states that one cannot be a practicing homosexual and obtain eternal life. This book wants one to believe otherwise. There was an excerpt where she told of a father who removed his children from the church where homosexuality was condoned. She saw that as a weakness on his part. I thought of the passage about millstones around the neck of those who would lead children astray. Everyone should be welcome in Lutheran Churches because we are all sinners and need salvation. However, we must remember that Christ welcomed sinners who realized that is what they were. He always said, "Your faith has made you well. GO AND SIN NO MORE." No excuses.
