Customer Reviews

Emma Lundqvist has been an active rabbit breeder and competitor for over ten years. In this comprehensive book she shares her knowledge and secrets for successfully training rabbits.

I've had rabbits for years, but never trained them. After reading this short, clear, encouraging book, I feel ready to try rabbit jumping. I especially appreciated the specifics on how to tell if the rabbit is stressed or enjoying itself.

Great read. Gave me ideas for my "buns".

Nice beginner's guide . Good details on practice sessions, rules And course and fence options. Would have liked more pictures of fences being built.
