With SUBVERSIVE CROSS STITCH: 50 F8CKING CLEVER DESIGNS FOR YOUR SASSY SIDE "rude cross stitch comes to your very own fingertips." - Paste Magazine "Perfect for cool parents and hipsters alike." - The Advocate, online "By taking this old-fashioned technique, and even some old-fashioned designs, but adding in updated sayings, her designs balance precariously on that line between awful and awesome." - BUST, online "Getting your stitchy snark on is so easy, you'll wonder why you haven't been doing it for years!" - MAKE Magazine "What's appealing about the patterns featured is that they have a real sense of humour and irony about them." - Textile Artist "The glossy pages feature photos of the finished products on the left-hand side with patterns on the right, if you're so inclined to put needle

to canvas yourself. Otherwise, the 50 different sayings do quite well as a mini coffeetable book, or a nice gift for the friend who's not afraid to combine the whimsical with a straight shot of sass." - Red Eye Chicago "Julie has a new book coming out TODAY and it's even better than her first!" - Tanis Knits As Seen On: Yahoo! DIY, the Yahoo! main page, The Colbert Report, and Stella Magazine

In 2003, Julie Jackson created Subversive Cross Stitch, a bedrock of the modern craft movement that pairs old-fashioned samplers with snarky sentiments. Along with this, her second book, kits, cards, and other gift items bearing Subversive designs can be found online and in retail stores around the world. Kits, supplies, advice, and hundreds of PDF patterns can be found on her site, subversivecrossstitch.com. Julie currently lives in Dallas with her husband and a menagerie of outstanding honor roll pets.

Awesome book of patterns, I've done a few of them & can't wait to do the rest

Bought as a gift for my mother who loves to crosstitch. She loved it and took it with the humor which was intended.

I love this book! I had the first version that came out ages ago, but when Julie published this new version with 17 extra patterns, I knew I had to have it! Each pattern is clear, easy to read, and suitable for a beginner. Julie walks you through the basics of cross stitching, so even if you haven't stitched before, she will get you going in no time!

Absolutely hysterical collection of patterns!

Can't go wrong with this one. Sure, there is a lot of free patterns out there, but not all that is free is good, and supporting an artist always wins.

My therapist now recommends this book for stress relief. It's great and a lot of fun

This book is soooo much fun! Everyone loves the designs. If you are easily offended or only have super conservative people in your life, steer clear.

This is hilarious and I'm already working on the first one. FULL of snarky Christmas presents for my friends.
