Priscilla Hauser's Flower Portraits

Synopsis

Priscilla Hauser, the “First Lady of Decorative Painting,” offers a bouquet of flower designs sure to please anyone who enjoys putting brush to paper. Daffodils, poppies, cabbage roses, wisteria: they all bloom beautifully on canvas, with the help of worksheets that show each portion of the flower as it’s painted. Instructions cover using a round or liner brush; making every single brush stroke, from commas to curlicues; choosing a palette; floating (flowing color on a surface); and easy blending. Pick one of the 12 flower projects, including tulips, lilies, geraniums, daisies, and sunflowers. Attractive mottled backgrounds enhance the focus on each flower portrait, and look wonderful on the finished and framed picture. With more than 25 books to her credit, Priscilla Hauser has become the expert teacher on decorative painting techniques. She’s the founder of the National Society of Tole and Decorative Painting, spokeswoman for FolkArt® paints, and a world-renowned instructor.

Customer Reviews

Hailed as the decorative painting industry’s ambassador to the world, Priscilla Hauser has travelled in Canada, Japan, Argentina, and The Netherlands to teach and has taught extensively throughout the United States and at her Florida studio. She has illustrated her techniques through magazine articles, videos, television, and books, including Priscilla Hauser’s *Decorative Painting Secrets* (0806927577) and Priscilla Hauser’s *Decorative Painting Techniques* (1402706073)

With practice, you can accomplish her techniques and create beautiful projects. Very versatile,

taking what you have learned and applying the techniques to many surfaces - pictures, walls, furniture, plaques and more. A good learning platform, without the assumption you've had classes or professional training.

This is a fantastic book with a lot of information for the beginner or the advanced painter. I found it very informative.
