Colleen Messina is a freelance writer, wife and mother based in Bozeman, Montana. Her articles have appeared in Guideposts, Angels on Earth, Highlights for Children and other magazines. Passionate about enlightened education, she homeschooled her children while writing for an educational website. The profound artistic and spiritual life of Nicholas Roerich captured her heart while growing up in New York City where she frequented the Roerich Museum. Warrior of Light: The Life of Nicholas Roerich is her first book.

An excellent introduction to one of the best painters and explorers of the 20th century.

An inspiring man! Any artist can read this book and learn a lot. He is a relatively unknown artist in America, but I hope that will change.

Be careful. This inexpensive little book is VERY FEW PAGES. The exact same info included in

other books about Nicholas Roerich. Don't waste your money!
