# Walks And Rambles In Rhode Island: 40 Trails For Birders And Nature Lovers

## Synopsis

For many years Ken Weber has been educating visitors and natives alike about the historical and natural wonders of the Ocean State. The 40 walks and gentle hikes he has chosen for this completely updated third edition travel the best terrain the state has to offer, both urban and rural. Here you'll find: the 77-mile North South Trail, which spans the state from the Massachusetts border to the ocean; the cliffs of Block Island; the beaches of Ninigret and Napatree; the quiet woods and fields of the northwestern corner; the wildlife sanctuaries and islands of Narragansett Bay; and the mansions of Cliff Walk in Newport. The walks range from three to nine miles in length, from gentle strolls to more challenging day hikes. Each chapter includes directions to the trailhead, a detailed map, a complete description of the route, and natural and historic highlights you should see along the way.

## Book Information

Series: Backcountry Guides

Paperback: 240 pages

Publisher: Backcountry Guides; 3rd edition (April 1, 1999)

Product Dimensions: 8.2 x 5.3 x 0.5 inches

Shipping Weight: 9.4 ounces

Average Customer Review: 5.0 out of 5 stars 3 customer reviews

Best Sellers Rank: #1,952,078 in Books (See Top 100 in Books) #3 in [Books > Travel > United States > Rhode Island > General](#) #1505 in [Books > Travel > United States > Northeast > New England](#) #1679 in [Books > Travel > United States > Midwest](#)

## Customer Reviews

A map can help you find a place, but Ken Weber can help you gain a true sense of a place. When you wander off to explore with Ken's book in hand, you always feel close to home. -- Kevin J.

Nelson, Environment Council of Rhode IslandAn inspiring tour of some of Rhode Island's best hiking trails. Ken Weber provides an excellent primer on how to get the most out of your trip to some of the finest natural areas in Rhode Island. -- Lee C. Schisler, Jr., Executive Director, Audubon Society of Rhode IslandKen Weber...knows more about the natural beauty of his adopted state than most native sons. -- Greenville, RI Observer

For many years Ken Weber has been educating visitors and natives alike to the historic and natural wonders of the Ocean State. The 40 walks and gentle hikes he has chosen for this new, completely updated third edition of "walks and Rambles in Rhode Island" travel the best terrain the state has to offer, both urban and rural. Here you'll find: - the 77-mile North South Trail, which spans the state from the Massachusetts border to the ocean - the cliffs of Block Island - the beaches of Ninigret and Napatree - the quiet woods and field of the northwestern corner - the wildlife sanctuaries and islands of Narragansett Bay - the mansions of Cliff Walk in Newport. The walks range from 3 to 9 miles in length, from gentle strolls to more challenging day hikes. Each chapter includes directions to the trailhead, a detailed map, a complete description of the route, and natural and historic highlights you'll see along the way.

I have owned this rambling book for more than a decade now. (And its sequel, More walks and ramblings as well). Until you pick up this book one would never guess there are so many blazed or easy to follow trails here in the smallest state. Most of them are very easy going family hikes that are less than 3 miles long, as well as ones that are near impossible to get really lost on. (Kind of hard to truly get lost in RI anyway. Just pick a direction and stick with it and you will run into some form of civilization in no time). I have taken all the walks in this book, a lot of them several times and only a small handful would I say are not worth it. Most are surprisingly colorful and interesting. The author does a nice job of guiding one through every walk with some interesting observations and "don't miss this" type of inclusions. And there is usually a healthy dose of background or history to every walk as well that is enjoyable to learn. The only small complaint that I have about this book is sometimes the authors directions to the trail heads are a little lacking, or quickly stated, as if everyone in RI is already well familiar with all parts of the state seeing its so small. And therefore wasting time with clearer directions isn't really necessary. That's not always the case for everyone I am afraid. Other than that small annoyance, this book is a must have for individuals and families who live in or around RI and love taking in the trails, wilderness, and coast line here that in many ways remains surprisingly hidden... : )

Ken Weber has done an excellent job describing these walks. His descriptions and difficulty assessments are usually dead on correct, so you can easily judge which hike to take and how hard it will be. I have done most of the hikes in this book in 2001, and the 3rd edition is quite up to date. The companion book is excellent too (More Walks and Rambles in Rhode Island).

Weber's Walks and Rambles in Rhode Island is the best compendium by far of the Rhode Island's out door offerings for those who travel on foot. It is a gem of a book.
