Customer Reviews

Great stories about a missionary Dr. living in Tanganyika, Africa in the 1930s.

Our son loved this book, we read it outloud as a family and enjoyed it very much. He has read it since a few more times through. Very good writing.

Lots of fun! The whole series is good. Lots of books to choose from. Kind of old school but we need more of that.

great book i loved it

Love this series

I appreciated the respect given to African culture and the creative ways the Good News of the Gospel was shared in the midst of running a hospital. It's a fabulous story and I've enjoyed reading many books in the series. Appropriate for children and adults as well.
