## Customer Reviews

I bought this book for my 12 year old son. He is part of a team that will be making a presentation on Hinduism to students from other religions. Dharma, being a core belief of Hinduism is a difficult concept to explain. This is a great book that explains the difficult concept with many examples and references from Hindu scriptures. I am going to check out other books by this author.

This book is an excellent introduction to Dharma written with the clarity one has learned to expect from Dr. A.V. Srinivasan. In just over 50 pages he has captured the essence of a concept that even avid readers of Hindu scriptures would be hard put to explain. The book has some marvelous stories and useful references to journal articles. Thanks to this book I discovered Stephanie

Jamison, whose articles comparing Hindu works like the Mahabharata and the Odyssey are quite brilliant. I would love to see a print edition of this book.

As a professor myself, I often find writing copiously on a subject is easier than conveying the essence in short form. Congratulations to the author for explaining Dharma in such simple and direct terms to facilitate understanding and comprehension.

Easy-to-read good book!

I AM HAPPY TO RECOMMEND DHARMA: HINDU APPROACH TO A PURPOSEFUL LIFE TO ANYONE WHO IS SEEKING SOME OF THE WORLDS FINEST WISDOM! IT IS ESPECIALLY WELL WRITTEN AND HIGHLY VALUABLE NOT ONLY FROM A HISTORICAL PERSPECTIVE BUT FOR IT'S EVERYDAY PRACTICAL GUIDANCE. ROSEMARY HUJSACALGARY, ALBERTA, CANADA.
