Yamaha Band Student, Book 1: E-Flat Alto Saxophone (Yamaha Band Method)

Synopsis

Yamaha Band Student will appeal to teachers looking for a well-paced lesson sequence that keeps students motivated to continue past the first critical year. It is affordably priced, attractively presented and meets the needs of today's students and educators. Each level includes numerous songs, duets, trios and four full-band arrangements right in the method itself---perfect for first-year concerts.

Customer Reviews

Very good book for someone who is just starting out on the saxophone

Among the student books, these ones from Yamaha are the best. However, I wonder if they could make them more different depending from the instrument. They are basically the same whatever is the instrument, trumpet, sax, clarinet.

muchas gracias

Good but difficult to view on a tablet with the kindle app and not formatted correctly to use on a laptop with the kindle app

The standard for new students like me.

This will make a great addition to my collection of other instrument books, since I play many. I am glad for this book.

Item came promptly, and was in new condition. Overall, it was the most helpful book among the several I bought. I use the fingering chart regularly.

Good book
