## Customer Reviews

If you are familiar with the Earworms program, then you know they are effective in teaching the limited scope they teach. I've had years of Russian in my youth and only ordered this version for some memory refreshment while driving. Like the German version I have, it gives you survival phrases to get you through most of the situations a tourist may encounter. You won't learn anything of any depth, but you will quickly pick up enough of the language to get fed or hail a cab.
