## Customer Reviews

"Gooley uses a huge quantity of contemporaneous reviews, comments, and public relations along with more recent accounts, with the goal of illuminating Liszt's changing public persona...fresh and thought-provoking." CHOICE"engaging...a responsible piece of historical and interpretative writing, a valuable contribution to our understanding of Liszt and the forces that made his remarkable career possible." - Times Literary Supplement"The Virtuoso Liszt serves as the needed corrective to the traditional one-dimensional narrative about Liszt's virtuoso years, and it is eminently readable. Through carefully chosen, heavily documented, and sagely interpreted case studies, Dana Gooley has opened windows for our understanding not only of Liszt, but also of the times and places in which he worked." --Journal of the American Musicological Society
