Customer Reviews

This book is the best I have found about New Caledonia. It is so hard for Americans to find good accurate info on New Caledonia but this book does it all. I knew more about some places than many of the locals. It helped me understand where I was going and helped me better integrate into the society there. Wonderful book. I am a lonely planet person now. :-)

Book was very good for history information. Unfortunately I didn't realise it was the 1999 edition so some things weren't quite so current. My fault though.
