Customer Reviews

This is my second copy of this book. I have one and my sister lost hers in a flood so I bought this copy for her. We are from the NH seacoast and love looking at the pics since we moved away. Great book.

This is basically all pictures so it won't take you long to go through it. I read it and then passed it onto my Aunt because she lives in that area. Very nice pictures but the book is not very many pages so it is a quicky.
