Great book, however the cd speaks French at a realistic speed. The reader is great, however, this is more for advanced readers and listeners.

Perfect! Exactly what I was looking for.

Great for what it is -- a series of short, highly-amusing tales of the little French school kids. I bought it as assigned reading for a French class, but found it great fun by itself. It is in French.

My students are enthralled to have the CD and text of Le Petit Nicolas. It was shipped quickly and in

perfect condition. Merci encore!

Le Petit Nicolas et les copain is extremely easy to read and amusing. A fantastic enthrallment for studying French.

This book is funny, clever, happy, sad, and REAL. We have the best time reading it out loud! It is about what it is really like to be a little boy. Read it in French if you can! There is a good translation out there too. But the original is unbeatable!
