Perfect thank you

I ordered this book because my son loves morningtown ride as one of his bedtime songs. I sing the version by the Seekers, and didn't realize the words were different. The pictures still fit so it works for me, but will confuse anyone else who tries to use the book with him. The pictures aren't fantastic, they kind of look like a little kid drew them.

My granddaughter loves it.

This is a lovely book based on the song Morningtown Ride by Malvina Reynolds. For young children that love trains it is a dream come true. Each page has a section of verse with a lovely drawing of a train on it. The colors are bright and appealing and the text is simple but enjoyable to sing or read.
