"Dr. Sam Nadler loves the word of God and the people of God and it becomes clear as he guides the Christ follower through what is often a misunderstood and overlooked part of God's incredible plan for His people. Frazier, President of Discovery Missions International "WOW - This is really a "winner!" High praise and many thanks to Dr. Nadler for giving such a clear and concise understanding of Jesus in every aspect of our Hebrew feasts. His presentation can be easily understood by novice, student, or theologian. I can't wait for more." Dr. Ron Woolever, Shammah Ministries (Azle, Texas) "Everything God has ever done has meaning, layers of meaning. . . and purpose. To learn His meanings and purpose is to know God Himself better. What in all eternity is more important than that? My personal thanks to Dr. Sam Nadler." Pat Boone "When you understand the biblical appointments (feasts), your depth of intimacy with God will greatly increase." --Sid Roth, Host of It's Supernatural! Television "Dr. Sam Nadler is amazing! I was suddenly swept away by the magnificent symbolism and vibrant truth the feasts portray. His perspective as a Jewish believer brought up in a traditional home made the Old Testament Feasts come alive as never before. His insight and attention to detail is phenomenal. Who could have guessed it was all about Jesus Christ? Compelling, enlightening and powerful teaching!" --Dave Weeden, Producer/Director of The King Is Coming telecast "Sam Nadler is one of today's most solid Messianic Jewish teachers. He brings fascinating insights without losing sight of major scriptural truths. He is doctrinally sound and yet calls for Christians to look afresh for new discoveries in the Word. And he demonstrates with undeniable clarity how the Feasts and Holy Days of Israel are of importance to the Church today, indeed, how they are ultimately witnesses to Yeshua the Messiah. If you are looking for practical, edifying, and enlightened teaching on this important topic, look no further." --Dr. Michael L. Brown, author of Answering Jewish Objections to Jesus

Author Sam Nadler is a perfect guide. He was brought up in a traditional Jewish home, and as a young man became convinced that Jesus Christ was Messiah. He is excellent at shedding light on the history and culture and symbolism behind the feasts.

I am VERY impressed with this book! I have 5 books on the feasts and this is by far my favorite! Each feast is presented with its purpose for believers today. Amazing spiritual insights, easy to read, Hebrew language connections, church history explanations, celebrations throughout the Bible, always pointing to Yeshua in context are a few of the reasons this book is so excellent. It is concise yet rich and fascinating. It is prophetic, blessing the reader with the significance of the feasts to the eternal plan of the Kingdom of Heaven.

I have read other books regarding Jesus and the Jewish feasts, but I have to say this is by far the best! Written by someone who was raised Jewish, he goes in depth into each of the Jewish feasts, through his own personal experiences, showing us exactly how Jesus fulfills each one of them, with biblical references to support everything. I have read parts of this book more than once - something I very rarely do (just because there is so much out there I want to read). I have recommended this book to friends and will continue to recommend it to many more. I also teach bible studies and found this book an invaluable reference book. I would whole-heartedly recommend this book to every Christian. You will not be disappointed! Enjoy and God Bless.

This book is one of the best books I have ever had the pleasure to read. I loved how easy it was to connect the dots between the Old Testament and the New. It was like all the pieces of the puzzle came together to make one clear picture of what Jesus did for us. I highly recommend this book to every Christian who wants to understand why the feasts were celebrated, and to the Jews, to understand why we know Jesus (Yeshua) is in fact the Messiah.

Exquisite and remarkable! I have always believed that Yeshua was hidden within the purpose of the Feasts and now I know it's for certain. In addition, I have a greater appreciation of the beauty and significance of all the Feasts but more importantly a greater love for our Messiah. Well done Mr. Nadler!

Well researched information. The book is easy to read. Sadly, the editing, if any was done at all,

was terrible.

I gave this book 5 stars as I am really glad I bought it. I am just over halfway through and am enjoying this book immensely. It is very informative and written in an easy style that asks questions and gives answers. I would thoroughly recommend this book to anyone. I love learning the Biblical Jewish roots of the Christian faith and this book delivers on this.

I am a Christian in a Baptist Church and this book has explained more to me than I've ever learned throughout my years of being a Christian. Sam Nadler is very thorough, yet easily understandable. I definitely feel much closer to God and will be keeping this book in my "to be read again" stack.

We're currently studying this book with the aid of the DVD's that go with it in our small group. There is so much information in the book it sometimes takes more than one reading to absorb it all.
