I adore this book. I have been baking as a hobby for over a decade now, and this cookbook is what got me started. After receiving as gift one year, I decided to make some chocolate chip cookies - which were IMMENSELY well-received at my school. I kept it up with different recipes, and before I knew it I had developed a reputation for my baking skills - with this book as my secret weapon. ;) I will always be thankful to Mrs. Fields! To this day, the chocolate chip cookie recipe is one of my top 3 of all time. Protip - the Chocolate Silk Hazelnut pie recipe in here is TO DIE FOR.

Lots of good cookie recipe choices. Look forward to trying many of them. Thanks for promptly sending the book. It was in great condition.

This was EXACTLY what I wanted, I love this cookie book it makes some of the best desserts ever, and when I moved out I was afraid that I would never have a book like it, but I found it

There are so many great ideas. Great price and in great shape. I would refer this to a friend. Thank you.

If a Mrs. Fields store is too far, this is the best bet.

This is a great book for any baker. The recipes are easy and who doesn't love a cookbook with pictures!

nice book love it

This is one of my favorite cook books. I got one for all my daughters. Easy to follow. I've liked every recipe I've tried. All my kids love them. They make them all the time & recipes have always worked. We always cook all our cookies at 350. Much easier:)
